7. Raising awareness

WHERE CAN WE FIND MORE INFORMATION

...about organizing awareness rising campaigns?

- We should look for national examples from our country. Maybe some other community has already had climate change awareness campaign?

- EU has its own climate action internet site where we can find lot of information about climate change and what to do about it:

http://ec.europa.eu/climateaction/index_en.htm

- EU climate change awareness campaign:

http://ec.europa.eu/environment/climat/campaign/index_en.htm

- NGO's are experts in awareness rising campaigns. We can either contact our local NGOs for help or we can consult the homepages of big environmental NGOs that are dealing with climate change issues and awareness rising. For example:

- World Wildlife Fund www.wwf.org

- Greenpeace www.greenpeace.org
